“ Ms. Janice, I am sorry for your loss. I did not realize your husband had passed until a patient asked me yesterday if my dad had recently passed away. I realized she must have been referring to your Shawn Cook. My thoughts and prayers are with you and your family during this time.

“ *Faye, thinking of you and your family at this time. My mom and dad loved you and seeing you and Dan starting your business in Tarver Alley so many years ago. A love and success story. I can see your grandmother right now walking to Phoebe to work each day. Good old days!*

“ I pray you have some comfort in knowing he no longer is suffering. I can't imagine how hard this is for you Mitz and the family. He had so much talent and skills and you must have been so proud of him. I don't know what to say except May God help you in this difficult time.
