“ *We are very sad to hear of David's passing.. Most of you knew him as Iggy but there was a time when his expanded family in Athol, MA knew him as "Little Davey". Our thoughts are with his sister Trish. We spent some fun summers together and have many childhood memories. Rest in Peace "Little Davey". God Bless.*

“ Iggy was definitely "one of a kind"... "the good kind". His sweet nature and kind heart will always be remembered, as well as his infectious laugh. You really couldn't help but to smile when you saw him. I am so thankful that the last time I saw you, just a short moment ago... that I hugged you, we laughed, talked about some old times, and that makes me smile. You will forever be missed. Rest easy my friend. Until we see each other again...ride those streets of gold on your bicycle! 💜

“ *Although we drifted apart in the later year's I grew up with Iggy , John , Donnie, Steve , even though there were many more touched by David's presence , It was these 4 guy's that took "Little Tim" as they called me back then under there wing , and there I stayed for the next decade, I drifted away and my demeanor changed Iggy's never did , There are to many memory's to choose from , I am extremely lucky to have known such a all around great guy , from his artistic creativeness to his quirky awkwardness Iggy was truly one of the good ones , Thank you brother for all the good times , ill miss you man.*

“ Iggy was someone that you could not feel bad around for very long, because at some point he was going to say something that would make you bust out laughing, and whatever was troubling you just disappeared. He leaves a lot of great memories with those that knew him and I am so fortunate to have had him as part of my life.
