Please know that our thoughts and prayers are with you and your families.

Jerry and I especially appreciate the time that your dad gave to the Scout Troop. That group of young men are stronger and better today because of his influence.

“ Lucy, Little David (as your mama called you) and Lynn:

*My heart goes out to you in loosing your parents so close together. Even though I did not know your dad that personally, your mother was so very dear to me. She was the most dedicated teacher I ever knew. We worked together for nerly 2o years at AHS. The one thing I loved about her was her enthusiam for her students and the Lord. We shared our faith so many times. I still miss her. Would it be o.k. if next sprig I go out there to her grave and plant some of the four-o'clocks she gave me years ago? We also shared the love of flowers. She will always be in my heart. She loved those grand children also. I did not have any at the time but now I understand that love. May God comfort you in knowing you had great parents.
Love in Christ,

“ Dear Bill & family, I am just shocked at this terrible news, adding to my sorrow of losing my husband, Dick, last month. What a dear friend David was - they used to call us "Nook & Nellie" in high school! And, of course our parents were always the very best of friends...& the very best of any parents around. What fond memories I will always have of the Garrisons. Even when you, Ray Stevens & The Barons played at our Rehearsal Dinner Party at Radium Country Club on Friday, July 1, 1955 - a grand affair which David Sr. & Evelyn hosted! I even emailed David this past Friday night, but doubt if he ever got to open it...You are all in my thoughts & prayers. Wish so much that I could be there. David & Lillian Sullivan were planning on coming to St. Augustine for Dick's Memorial Service, Sept. 30, but he called me that day to say they just couldn't make it due to his health. How very sad - but God will give you strength to carry this family through. Fondly, Annelle
