“ I am so sorry to hear about David's passing. My family left the New England area when I was four years old so I only got to see David and his family on summer visits to my grandmother's home. I always looked forward to our visits with Aunt Ruth and Uncle Ed. Grammy Chapman usually came with us when we went to Bridgeton since Gram Powers (Aunt Ruth and my grandmother's mother) lived with the Robbins family until she passed away. I well remember how the adults would sit and talk while the children played together. My sister and I loved to pick blueberries in the cemetery next to their home with David and his sisters. It does not seem possible that was more than 50 years ago. He will be fondly remembered and missed by his family and friends.

“ Dave was my training officer in January 1976 he taught me how to treat each person with dignity that I met from that point forward. He helped Marion Walls and I learn to coach little league baseball at 8th ballpark starting in 1977. He was a true gentleman, a good officer and great father. He will be truly missed.
