“ *Remembering Dave with a smile on my face. He was a good friend. My first husband, Mike Wharff, and Dave worked on many jobs through the years. Dave was a man that loved family and friends. After his move to Georgia I only seen Dave once. When traveling from Indiana to Florida or Florida to Indiana I often thought of Dave. We now reside in Florida but with family and friends in Indiana we go back and forth. My deepest sympathy to the family.*
