“ Please accept condolences from a neighbor who I am sure none of the family knows, but I felt compelled to write. Mr. Wallace signed a petition for me once on a rezoning issue and we talked racing that day. He was a very nice gentleman and I am sorry for your loss.

“ I am so sorry for your loss. I met David several years ago and talked with him many times. He was a wonderful person and I will miss him. One thing I will always remember about David is that when I saw him I would say, "How are you doing, David?" and he would always say, "Better, now that I've seen you". That always made me feel special. All of his friends in Augusta will miss him very much.

“ My deepest heartfelt sympathy goes out to David's family at this terrible time. It was devastating to hear the news of his passing. David was one of the nicest guys I would ever hope to meet. Everyone who knew him knows how much he loved his daughter. He talked about her all the time when I'd see him at Rhinehart's. He was just a really good guy and he will be missed, but never forgotten.
