“ *David was a great friend, he was like an older brother to me. He may be gone, but he will never be forgotten. It is so tragic the way he had to leave us. He loved the woods and his cats to death. He was one of the best friends to have in our shooting club.*

“ I was heart broken to hear of David's death. I had been friends with him for many years
He was a very special person and I have very fond memories of him. I met him in the early 80's when we worked together at Winn Dixie. He was one of a kind. I've never met anyone like him before and I never will again. I will miss him terribly. My heart goes out to your family and I will keep you in my prayers

“ I was shocked to learn of David's passing. He was always working so hard at Publix, but always stopped what he was doing to help me find something. And he was always so nice. I was in Publix today and his area looked so empty. I will miss him.

“ David was a quiet man who kept out of life's spotlight; he was more willing to be the hand behind the stage in this play we call life. A dedicated worker, and one of the most loyal guys you would ever know his place cannot be filled by another. We all lost something in the tragic passing of so gentle a soul. Give Bill Brannon a big hello from the rest of us your extended family from the old Winn Dixie #22.

John, good to see some folks from the old Winn Dixie commenting about David. Man I miss them both a lot.

“ *David was my associate at Pubix! HARDEST worker ever! He will surely be missed! Always enjoyed our conversations!*
