“ *I miss Mrs. Brown so much. She was so smart and witty. she taught me a lot while working with her. I miss going to the marine base and to kmart and lowe's. She enjoyed shopping and was looking forward to the new renovation of the bx store on base. She was crazy about whopper jr.'s and chocolate milkshakes. Even though I hated that she smoked, I even miss going to piggly wiggly for her to buy cartons of Kent 100s lol! She was always in a good mood, I never seen her mad, disappointed sometimes but never angry and never using bad words. She loved to read, and she loved the beautiful flowers in her garden--I hate that we aren't planting flowers this spring and tomatoes. We did it every year- a tradition I think I will start at my own house in memory of her. You will forever be missed Mrs. Brown--I really and truly loved you!*

“ *I just wanted to give you my condolences for the lost of your loved one. We have all lost a loved one in death and during this trivial time it can be very hard to endure. One way that I was able to find comfort was through God's word the Bible. God makes a promise to us that at Revelation 21:4 no more pain, sickness, or death will be anymore. God is not a lie so we know that his promise will come true for all. If you have anymore questions please go to [www.watchtower.org](http://www.watchtower.org) for more information.*
