“ *Delores I know you are so happy with Terry now. You two were soul mates. I have many memories of both of you at work. We had moments of joy and sadness that were shared. As I think of you now, I rejoice that you are with our Heavenly Father but am saddened that you had such a rough year. Until we meet again.*

“ *We are so sorry to hear of Delores' passing. She and Terry were our neighbors and they were always so kind and thoughtful through the 10 years we were there. Delores cried with me and prayed with me through the decline of my husband's health and many hospitalizations. She was a truly loving person and I know she is with the Lord.*

“ My fondest memory of Delores is her walking in the door at work with one of her fabulous caramel cakes! Thank goodness she knew just when one was needed. What ever would I have done without Delores to help me with the postage machine?! May she rest in peace and enjoy her heaven as much as she enjoyed her time on earth, giving and doing for others!

“ We have many fond memories of Delores (and Terry) back thru the years in so many Lion's activities. Delores was loyal, dedicated, giving always !00% to Lions. She had a big heart and personified the Lion's motto: "We Serve".
She shall be missed.

“ Today we paid our respects to our good friend Delores. We know she is in a better place. It was touching to hear how much she and Terry were appreciated by her family, church family and her Lion’s Club family. We will miss her.

“ We have known Delores for many years and were sad to see her health declining so drastically over the last while. Terry and Delores both were good-hearted people who wanted to help others, as particularly evidenced by their dedication and work with The Lions Club. They both had special places in their hearts for their dachshunds. Buster has been gone for awhile and then Winnie came along to fill the void. . Delores was pleased a good home was found for Winnie after she found she could no longer properly care for her. Blessings on those who took care of Winnie so long at the veterinarian's office and helped find her a home and on those providing her new home. God grant comfort to all who knew Delores and will miss her.

“ Delores was a kind and loving person. She was certainly devoted to Terry the Lighthouse and especially the Camp for the Blind. I will miss her presence at our district meetings and at our state conventions.

“ You have to admire their 'spunk' and dedication to the cause of Lions. They demonstrated that dedication with their love the our Lions Camp for the Blind.
I (we) would be willing to help with at memorial block at the camp in their (her and Terry's) memory. Say for both to have died at an early age. WE have lost another truly dedicated Lion.

“ Have many fond memories of Lions Delores and Terry in Lions Club. Especially when the tornado hit Enterprise, AL and Americus, GA. A local company, Southwire, wanted to send a trailer load of relief supplies. I assured Southwire that ALERT Chair Terry and Delores would see that it got unloaded and in the hands of the people that needed it. They did just that! Well Done, Lions Delores and Terry.

“ Delores and I had many pleasant experiences together--from home baked caramel cake to sitting in Lions Clubs meetings. She was always a sweet, caring person with much loyalty and dedication to Lionism, as well as her friends. My heart goes out to her family and friends. She will be missed.

“ I have the highest respect and admiration for Delores - though I never met her, personally. As secretary of our local Lions Club - for years, I often chatted and e-mailed with her, and she impressed me as someone of strong faith, conviction and integrity; and, I don't believe I 'read' her wrong.

My prayers are for peace and hope to flood her family and friends, and may it be well-known that she hasn't left us for a better place, she has gone Home.
