“ Dear Cole and family,
I live in Albany but did not hear about your mother's death until I got the Porterfield weekly bulletin today. I wish that I had known so I could have come to see you all. I'm so sorry to hear of your loss. If you are in town give me a call. I would love to see you and catch up. I'll be thinking of you all and remembering you, and Dene, fondly in my prayers.

My love, and understanding, to you all,
Lisa

“ Our deepest sympathy to your family. Your mother was a wonderful lady and a great business woman. I have not seen you all in years but have many fond memories of Cole as he was a good friend to Don and Lisa. Your Mom taught Lisa so much in interior design. Just wanted you to know that we were thinking of you and wishing you well.

“ My thoughts and prayers go out to each of you in the loss of your loved one. I enjoyed knowing Dene in the Woman's Club. We were in the same department a number of times and I enjoyed knowing her. May God in His Infinite Mercy grant each of you the peace, comfort, and strength for each day. Carleen Flowers

“ Dear Frank: I am sorry to hear that you lost your mother. I am sure you will miss her. I have no way of knowing, but I hope she was not suffering before she passed away.

I know how it feels to lose your parents. I lost both my mother and my daddy last year, in February and July. My mother was sick for several years and I was her sole caregiver. It was a long difficult journey.

I am truly thankful that my parents are both in Heaven and no longer suffering. I hope you can have that same peace in your heart.

My thoughts and prayers are with you and your family.

Sincerely,

Karen Sutton Bramlett

“ Dene was a very successful business woman and a pioneer that became a model for other women to follow. Always pleasant, a loving mother with a great appreciation for life and all it had to offer. I will always remember the love and care that she gave to Leslie's mother, Nana. May she have a peaceful rest and her family find consolation in the fine woman and mother that she was.

“ My Mother Ruth Brown-was a friend of Dean's and the baby sitter for the two children, so I grew up tagging along. Dean was a Generous, intelligent, nice person, as was Leslie.
Dean and I were in many things together-and both attended Porterfield.

I was sad to see her the last time, and she did not know me.
