“ *Dearest Tommy, Parker, and Carson,  
Although your mother and I were not close friends, I did know her well enough to know how special she was. Your mother was beautiful, engaging, warm, friendly, and special. I know that she loved her children very much and would want the two of you to live your lives to the fullest. Please let me know if I can help any of you in any ways.  
Thinking of you,

“ *Carson and Parker - Please know that you are loved and prayed for by so many. There will be tough times ahead, but be reminded that your mother loved you dearly and that her gifts of kindness and caring for you and for the students she taught will last for years to come. See you tomorrow. WB*

“ *I was very saddened to hear of her death. She was my 6th grade teacher at LCMS, and one of my very favorite teachers at that. With my own daughter going into the 6th grade this fall, "Mrs. Ross" was on my mind recently. My thoughts and prayers go out to her family.*

“ I have so many great memories of Denise that it would be impossible to recount them all. One thing I do remember is what a true friend she was to me personally. From the first time I met her in Kindergarten through our most recent conversation, I knew Denise would always defend me, whether I was right or wrong. No one was more loyal as a friend than Denise. She was like my third sister and I am eternally grateful for her friendship. I have lost a TRUE friend. WE have lost a true friend. God bless you, "Dennis". We love you and we miss you already.
