“ Aunt Sandra, Little Denny (Yes, I still call you that), Chad, and Jason, I am so sorry for the loss of your husband, father, and friend. I unfortunately know the time will come when I will be in your place with my mom, dad, and my Nana. I have lost four people who I knew in the last week, but Uncle Denny hits the closest to home. I apologize that I was not able to make it down to Albany. Hopefully I will be able to bring the family down soon so you can meet them. Be strong and know that you have the love and support of your extended family.

Love,
Sean

“ *Dennis was always a very good friend. I had a tremendous respect for him. We were co-workers at Merck for many years and were always joking around with each other. My sympathy and prayers go out to the family as you go thru the difficult days ahead.*
