“ *I am very sorry to learn of Derby's passing. He and I were friends for many years both through scouting and out mutual interest in computers. He was a fine person and a asset to scouting and the community. My prayers are with the family.*

“ *i am so sorry to hear about derby's passing. he was such a great person and did so much for the youth of southwest georgia and did it in a quite way. i followed him as council commissioner and learned much about how to deal with difficult issues from him. i was also honored to be his senior patrol leader on his woodbadge course. he said he picked me because i was young and he and keith were not and they might not make it that long. whatever the reason i was lucky to serve with the two of them. please know you will be in my thoughts and prayers.*

“ *Derby was such a special person. He is probably in Heaven telling wonderful stories about his mother-in-law like he did in Choir. I have my cross in my kitchen and cherish it.*

“ *Joyce, I am deeply saddened by Derby's passing. He was a dear and good friend to me both during my FUMC choir days as well as since I left for Sherwood. I will miss him greatly. If there is anything I can do to help in this time of need, please let me know. He is going to be missed by all who knew him, I'm just thankful I know he's now in a better place....no diabetes, no breathing problems, no health problems.*
