“ *In two months from today it will be the anniversary of your passing. Feels like just yesterday I was laying next to you and holding your hand in that hospice. Hard to believe it has been two years already. I think about you all the time Nana and wish we had more time together. Savannah is getting so big. Much bigger than any other three year old we know. She knows about you. She says her nana was sick and had to go home to feel better. Even when I'm just thinking about you she will come in and tell me that & I know that you are here with us. How else would she know what I am thinking!!! I LOVE YOU SO MUCH!!!*

“ I was so saddened to hear about the loss of Mrs Mayo. She was such a wonderful and great, and dear friend. Her and Mr Frank was always like parents to me. We affectionately called her, Mama Mato at Roses. We had a lot of laughs and wonderful times together and I will miss her terribly. Please give my love to Mr Frank and the entire family. With Love and Prayers,
