“ *I knew Diane for many years. I used to work with her at the then "CPO" on the Marine Base. It was during the time when a TV show called "Stingray" played on NBC. The star's name was Nick Mancuso, I often teased her that she had to introduce me to him. We had great fun doing that! I will miss you rest now, you fought a good fight.*

“ I was greatly saddened to hear of Diane's passing. She was so sweet and funny. When I was a co-op student, she went above and beyond to support me and make sure I had everything I needed. May your memories of Diane give you joy and ease the pain of her passing.

“ Diane was a special co-worker here at the Marine Corps Logistics Base. She had a giving heart and was loved by all who worked with her. My prayer is that the Lord comfort You in this time of your loss.

“ Diane was a very sweet and caring person that I've known for many years while working at the Marine Base. After she retired, she would call and tell us she was cooking lunch for us today and would bring in a wonderful Baked Chicken Spaghetti Casserole. It was delicious!!! We'd all eat and talk and have a great lunch that day - compliments of Diane. Diane will be missed very, very much. My thoughts and prayers are with her family.
