“ *I went to high school with Dianne. I have not seen her in many years but I will never forget her. She always had a smile and a kind word for you. She will be deeply missed by all. She touched many lives without even knowing the person. God Bless her and keep her safe. Mittie*

“ *We are reminded during this time of loss, how deeply caring and giving Dianne has been to all of us. Often we don't realize what we have until we lose it. Well this certainly is the case with Dianne. As a deeply committed Christian, she exhibited the love, compassion and care as Christ would expect from all of us. We are proud of the way she lived her life and how much she truly cared for others. As a lasting testament to her life, we must feel compelled to extend kindness and care for our family and friends which were so dear to Dianne.*

“ I met Dianne through my sister. They worked together at Penny's. She was a very sweet and kind person who touched your heart and soul. My sister's children loved her and enjoyed her company as she had a way with children. Dianne will be missed. May the Good Lord rest Her Soul and comfort the family..
Sincere condolences,
Dianne Russell

“ Dianne was such a thoughtful person. A holiday or special occassion never passed without a card from her, and she always included a note about her job, her classes, her cat or a recent dinner with friends. Dianne also included an inquiry about my family and friends. This was a consistant endeavor that continued throughout 30 years or more. I imagine dozens or more people were on the receiving end of Dianne's cards and letters. I only hope that others were more consistant in replying than was I....

Dianne, you will be sorely missed, the world is a better place because of you life.

Love you and miss you, T.

“ *It was a pleasure working with Ms. Diane. She was quite and always smiling. That is the most important part I will miss about working with her. Always willing to help. She will be deeply missed by her co-workers at JC Penney.*

“ *Dianne Noel...my cousin. A precious individual with so much kindness for those she loved. All of her family, she considered special and dear! And she was a champion for letting us know she was thinking of us; wishing us a happy birthday, sending us an Anniversary or Holiday Wish or keeping us up to date with a "hand written letter"! Even though I fell extremely short in responding to her letters, she continued unselfishly to keep us informed. I get it now...God put her on this earth to show us the standard to which we should strive. The love she held in her heart was expecially evident in telling about her precious "Bucky" and in watching her baby cousins at play. Dianne is at peace now and in a place where she is happy. She's with her Mom! I'm sure she and Joanne are having a wonderful time catching up! If you are looking down at us, thank you, Dianne, for your thoughtfulness, kindness & love! I love You!*

“ Dianne is my cousin whom I will miss dearly. There is no one I know who was better at expressing her love and caring during a special occasion like Dianne did. Although she resided a whole state away from me, my world was a happier place knowing her love was there in Georgia. She made a difference in our everyday lives - I only wish I had done a better job at returning the favor. I will strive to honor her memory by being more like she was and expressing love for distant members of my family during every chance I get.
