“ I am so sorry to hear about your dad. There's nothing I can say that will make it better, I know. Forgive me if I don't make it to the funeral. As I have not got over Brian's yet. But, if there's anything I can do please let me know.

“ I only worked with Dillon a short time but I was impressed by his knowledge and his fairness to his people. I know he was a good father cause I work with his son:Brian,and I see the same traits in him also.I will miss Dillon, but he has left us a great legacy in Brian and Cherie.
