“ *My dear, sweet, caring, loving Aunt Dolores. I remember visiting Albany, GA quite a few times many years ago. I always looked forward to my Aunt's wonderful hospitality and easy/fun nature. She always took such great care of everyone and spread so much kindness. God bless her and may she rest in peace in the company of those who have passed before her. Thinking of my Uncle Tim and cousins during this difficult time. So sorry for your loss.*
