“ My condolences to all of Don's family. My memory goes back to the late 1950's and early 1960's when Don covered the streets of downtown Bainbridge selling boiled peanuts. I was working in our family shoe store then and we were all regular customers. He was so industrious and personable. I am happy to hear that he had a wonderful life and a loving family.

“ Coach was the only other coach I asked for in softball besides my own Dad. That is because he treated all of us like a father. His faith and kindness was a reminder of who we were as young women and what was most important. He was also just fun to play for. I will always treasure my time with Coach and pray for the family and friends who will miss him this side of Heaven.
