“ *Dear Liz and family, My heart has been heavy since I learned of your loss. Donald was a very special friend of mine and our two friends Nancy Padgett Smith and Diane Maxon Cook as we would spend many Friday and Saturday nights in high school together "hanging out"! Donald was one of the best dancers in our class and I had the privilege of having him for my date at our Junior Senior Prom. It was a thrill to meet you and to see Donald after all these years when you attended our 35th Reunion. Please know that you are in my thoughts as you process your loss and that my memories and our love for Donald will stay with us all of our lives. He'll always be with us in our hearts.*

“ *Dear Barry family please know that my prayers and thoughts are with you during this time of mourning the loss of Don. Don was a classmate at Crisp County High and I considered him a true friend. God Bless and keep you strong. Your friend in Christ Donnie West.*

“ I have many fond memories of Donald. I rememebr him as one who was very quite and gentle but spoke with authority when he had soemthing to say. He was loved by so many people. I regret not spending time with him since we were young.

“ Please accept my sincere sympathy in the loss of your dear loved one. It is wonderful how God brings us to remember friends from long ago. Just last week I remember Donald at the movies. He would always have his popcorn, but had to have the candy bar afterwards. I believe it was a Butterfinger. We may lose touch with one another, but we can still remember and lift each other in prayer. All of Donald's families are in my prayers and may God wrap His Loving Arms around each of you in a special way. A classmate Faye Mitchell Rentfrow

“ Liz, Our thoughts and prayers will be for you to have peace in this time. We know you will find comfort in knowing Don is in heaven and without pain and suffering. We love you. I am so sorry that I will not be able to attend the funeral. As I told you I have appointments at Mayo Clinic. I would cancel them except getting another one would take 2-3 months. I will be thinking of you and will plan to stop by when next we travel north. God Bless you, Bob and Ruth
