“ So sad to learn of my cousin Donald's passing away. I just found his obituary here. One of my very favorite family members on my dad's side of the family. When he would have leave from the Air Force stationed in Thule Greenland he always came to visit us as my dad was his favorite uncle. After his Service he finished his Masters at U of Maine and frequently spent time with us. After he left Maine and settled in GA I don't believe I ever saw him again but all my life I have never forgotten him. One of the very finest men I've ever known. Rest in Eternal Peace Dear Cousin Donnie.
