“ *The world has lost a gentle heart!! I remember Don, Linda, & Ali very fondly. It was always a joy to be around them as a family, they were great together, all the SMILES, LAUGHS! You never knew what was around the next corner. Great memories indeed.*

It was a very sad day indeed when I heard the news that we could no longer enjoy Don's presence here on earth. On a brighter side,,,,,Don has brightened the universe, and all of those who he came in contact with.

It was a pleasure to have been graced in your presenceDon!!

Sincerely,

Andy

“ I am so sorry for your loss. I had been looking for Don on internet when I found his obituary on Sunday. Don and I worked side by side on the night shift at our squadron and we became fast friends instantly which will be no surprise to any who knew him. He was greatly appreciated by all for his friendly way, his smile and that incredible sense of humor he had. He was a man who could always be counted on. My prayers are with all of you and may the Lord comfort you.

“ I was deeply saddened to hear of Don's passing. He had been with the railroad about 6 years when I started. He had been there long enough to be of great help to someone with a lot to learn but no so long that he remembered how it was when he first started. He was the best of the best at what he did and always had time to help out the new guy. It was a friendship that lasted over 30 years. We still talked occasionally. I always looked forward to hearing from him and laughing about the "good ole days". He was one of a kind and will be missed. My thoughts are with his wife and family.

“ We met Don and Linda in 2003 when we moved into their neighborhood on the creek. We soon learned what wonderful and fun people you both were to be around. Don always had a smile on his face and something funny to say....you couldn't help but to enjoy being around him. Linda, I know that life will never be the same again for you but without a doubt,it was obvious that Don loved and adored you..... Always remember that and cherish the memories. You will continue to be and our thoughts and prayers and if you ever need anything, just know that we are only a phone call away.

“ We were fortunate to become Don and Linda's neighbors more than half a lifetime ago. We were good neighbors for five years. Don wouldn't have it any other way. What a nice, kind and thoughtful man he was. If you needed anything Don would be there for you. Don was a success in life. He took his job seriously and gave it his full attention when necessary, but when it was time for fun, he took that on with the same attention to detail!
We cherish our memories of Don and will truly miss him.

God bless you Linda, Allison and all....

“ Don was a great man who I met just recently through his love and dedication to his daughter's successful launch of her insurance business. He will be greatly missed.

“ Trying to express sadness with mere words seems so inadequate about the loss of Don.

The sound of his voice would make your heart leap because you knew you were about to laugh and have the full on experience of life and love with a son truly blessed. Don was an exceptional son blessed with gifts the greatest of which was his capacity for love. He was blessed with a love for family and friends that knew no bounds. Blessed with a giving heart reaching out to all he met. Don was an brilliant son who will be missed but never forgotten and he will live on in our hearts graced with memories precious and fine. Don was a prince of a fellow.

*An honest man here lies at rest,
The friend of man, the friend of truth,
The friend of age, the guide of youth;
Few hearts like his, with virtue warm'd,
Few heads with knowledge so inform'd;
If there's another world, he lives in bliss;
If there is none, he made the best of this.*
