“ Dear Peggy,
We only met you and Mr. Donnie one time in our life but we still feel like we've known you for years. My younger brother is getting married in a few weeks and Wendy has been practicing a song to sing at his wedding "Feels Like Home" and that's the one thing I can say about your place - it "Felt Like Home". We will both continue to pray for you each night and I want you to know that your husband and best friend touched us in a special way and we will always keep him in our memories.

He was a football coach when I was a kid, and we also were neighbors in Douglasville for a few years. His wife at that time was Deborah, and they had 1 child, a son, Michael. Good people. I just stumble across this obituary, had not spoken to Mr. Singletary since I was 14 years old in 1978. Condolences to the family and friends.
