“ *There are no words to describe how much we loved Donnie and you. I know your heart is breaking, and my heart hurts for you. But, Donnie is healed and happy. It's always the ones left behind that have the heartache. You can smile knowing Donnie has that big smile on his face as he has met up with Elton, Eli, Val and many more friends. It's not over. We will see them again. With my love, Bettye Keaton*

“ *Kelly, Our thoughts and prayers go out to you, Angie and Paula. There are no words to help with your sense of loss. I recall seeing pictures of all of you kayaking and thinking...what a great thing to be able to do with your parents. You will find yourself reflecting on these memories often. You will also find yourself realizing all the wonderful traits you inherited from him and the lessons learned from him. No one can take this away and you are truly blessed to have this close relationship. He's still with you and always will be. Love ya'll.*

“ My dear sweet brother I love you so sorry this virus has taken its toll. We grew up running the fields and woods and you grew to having a loving family, wonderful wife and a Christian life and loving brother. I will miss our phone conversations and texts on Georgia football games but I know we will all be together again. I will always carry you in my heart. ❤️
