“ *Michael, You probably don't remember me but I had to tell you how good your dad & mom were to me & Bart. We were neighbors on Mayhaw Rd in Leesburg. We were s young couple & your dad was always willing to help us. Giving us produce from the garden or peaches from the trees. Such wonderful neighbors ! Wish you had never moved away. I still live in the same spot. Looking forward to seeing your parents and Mark again. Beth Cannon*

“ Don and I would often reminisce about growing up in a small farm house in Hartford, Michigan.

*I recall one incident from those younger years. After hearing a commotion, coming from the basement, I went down to investigate. Donald was attempting to kill a rodent with a baseball bat. I said, “oh, no, don’t kill it” as I reached down to save the rat. That’s when it tried to bite me. I got so mad, that I took the bat away from Donald, and took a swing at it myself. Well, I missed the rat, but busted a hole in the wall and the rodent got away.*

*On another occasion, Donald was outside chopping wood. As I stood watching, I started laughing. A chunk of wood flew up and hit me in the mouth, breaking off my front tooth. Thank goodness nothing else was broken.*

*Throughout the years we would gather, when possible, and reminisce those early years with our siblings.*

*Michael, my thoughts and prayers are with you and your family. May you find peace in knowing that he is “Home”.*

“ My sincerest condolences to the family of Mr. Green. I was front office secretary at Monroe High School while Mr. Green was Assistant Prinicipal. I dearly loved Mr. Green and have some very fond memories of our time together at MHS. One such memory i tell about often was the day we had a shooting. Fortunately, the victim wasn't hurt seriously but it had all of us on pins and needles for a short time that seemed an eternity, We had no idea who had done the shooting or where the gun was. I was in Mr.Hopson's office with the victim trying to calm him down & assure him he wasn't going to die from a flesh wound. I left for a moment to get first aid supplies from the closet and met Mr. Green in the hallway of the office. He reached in his pocket and pulled out the gun he had commanded. I almost fainted! I screamed "Mr. Green!!!" I gues I thought he was the shooter!!! We had some wild times in those days! He also once offered to take care of a ganglion cyst i had developed in my wrist telling me how in the military they would burst them by slamming it with a heavy book. I respectfully declined the offer and during a vist with a chiropractor asked about the cyst. He told me he could take care of it if i wanted. Of course i told him yes. All of a sudden he manipulated the bones in my wrist popping the cyst and sending momentary pain surging through me. I may as well have let Mr. Green slam it with a book! Yes, i loved Don Green and I am SO sorry to hear of his passing. My thoughts and prayers will be with you.

“ I always enjoyed visiting with Uncle Don when he and Aunt Polly lived in Niles, with Markie...and years later when he and Mark would travel to Michigan to visit Aunt Bev (in Niles). Many of us would gather for a good meal, laugh at life’s bittersweet old stories and play Yahtzee for hours (and we took no “prisoners”) 😊  
Uncle Don and his surviving sisters, Aunt Bev and Aunt Jean, had so hoped to gather one last time. However, Uncle Don’s health did not permit. He will be greatly missed ❤️

*Michael, my sincere condolences, to you and your family.*

“ I loved listening to Uncle Don, his sisters and brother (my dad) tell childhood stories. I remember looking forward to childhood vacations to see Uncle Don, Aunt Polly, Randy, Michael and "baby" Mark (as he was referred to until Mark reminded us he was a MAN). I loved the few years that they lived in Michigan. We were able to gather the family and enjoy each other. I loved him dearly.  
My condolences to Michael and Connie and their family.

*Michael. I remember you as a handsome teenager. Both of us worked at Monroe with Don. I also remember Polly and Markie. We even ate dinner with you guys. We have been gone from Albany for 35 years now. I am so sorry to hear this.*
