“ I was a Plank Owner on the Grant (Blue) crew. During commissioning of a sub there is very little difference between the crews - they worked closely together. I remember Don very well - calm, competent, reliable and obviously intelligent. He was a good crew member and responsible for Grant's being the fine boat she was. He is remembered..... My condolences to his family and friends, Al Webster former QM1(SS)(DV)

“ I served on the Grant in the 1960's and would like to say how sorry I am that another Submarine sailor has passed. I did not know Donald but I can tell you this, he must have been quite a man to have braved the arduous task of serving the United States Submarine Service, proudly!

“ I served with Don in the Navy aboard the USS U.S. Grant, SSBN631, Gold crew. Don was a Radioman First Class and was one of the best petty officers aboard the submarine. He was a plank owner and a member of the commissioning crew of the USS Grant. He served his country well and will be missed by all his shipmates. Smooth sailing shipmate. He is now on Eternal Patrol in God's Navy.

“ Dear Beverly & Monica,

Please know that you and Monica are in my and Susan's thoughts and prayers during this difficult time. Donald was special to me and I have so many fond memories of our times together - especially during the many lunches we shared together over a period of years. Words seem inadequate to properly express our sympathy for you during this time.

In our prayers,

“ *Monica and Mrs. Beverly,*
I haven't seen either of you in a while, but learned of Mr. Don's death through the DOCO website. My family spent a great amount of time with you all when Natasja was here from Holland. You are both in my thoughts and prayers.

Thank you so much for all the beautiful moments in America. I will never forget the warmth and fun we had. You are one of a kind and I am forever grateful that I had the chance to know you in person. You, Beverly and Monica hold a very special place in my heart. I wished I would have taken the chance to see you again before, but in memory my mind will be with you forever. Rest in peace.
With love from me, Lesly and my family.
