“ *It has been a few years brother. I'm surprised I didn't post at the time. Your passing was such a shock because it seemed your light was still so bright! Always there for people; so encouraging and supportive; such positive energy. You are missed every day. I can only hope that God gave you wings right away because it seems like you earned them while on this earth. Peace out!

“ I served as Donald's Supervisor at the Marine Base prior to my retirement three and a half years ago. Donald was a really good employee and got along well with his peers and superiors. I spoke with Donald many times about his family and could tell how much he loved and cared for them . His absence will be sorely missed not only by his loved ones but by those he worked with daily. My condolences are extended to all.

“*Don was a wonderful man. So friendly and outgoing. When my daughter, Kirsten, had her 3-year old birthday party at our house, Don was the only adult to jump in the big air jumping machine with all the kids there. My prayers are with Kim and her family. Hugs and kisses.*”
