“ Surely will miss my sweet friend Don but I know not as much as all of you, his family. It's bittersweet because while he will be missed so much on this side, he doesn't have to get those infusions anymore. Our class prayed for healing for Don for many years and we wanted it to be on this side but God has given him the ultimate healing. If you look up the word perseverance in the dictionary, there will be Don's name. Please know that you are all now and will continue to be in my thoughts and prayers and you have my deepest condolences and love. Ree
