“ Joan, our prayers are with you. We were shocked to see Don,s name in todays paper. Our friendship developed on the course at Doublegate around 1990. We enjoyed many outings at the club together. Don was always a gentleman with a smile on his face. We both were retired from the military and we both played golf left handed and both born in 1933. The last time I saw him we had a sandwich together at the Subway at the Exchange on base. I asked about you and he said she is playing golf with her friends. He always said you were a better golfer than any of us and I am sure he was right. My wife and I will miss his smile and friendship. God Bless You and watch over you. Ed and Mary Simmons.

“ Dear Joan & Family,
You are all in our thoughts & prayers. May God embrace and comfort you. Whitie was a great fellow. He used to give us extra ice cream when we were student nurses (only punched our meal tickets once). I always think of that, sometimes we didn't like the food and ice cream was our meal. We had good times at Onslow Beach when you were stationed at Camp Lejuene and we at Cherry Point. He will greatly be missed. I will be in touch.
Love & Prayers.

“ Joan
God what a shock. We are so sorry and wish there was something nice to say. Other than that Don was one of the finest Marines and Gentlemen I knew in my career I can not think of anything else. I only hope when my time comes I am lucky enough to be with my loved ones and it is quick. What more could God grant us?
Christ be with you & family Joan. With Gods Love and our sorrow
