“ Dear Lynn and Family: I was so sorry to hear of your loss. Don will be missed.

A few of my memories are all the holidays, birthdays, memorial days that we shared and got to know one another and our families. Don and I sharing a little bit of stock news. He was so sharp and I did listen to what he had to say. When we had the grandchildren, Gary and I felt so very lucky to be part of 4 grandparents sharing these grandchildren in Raleigh and we did share. Then when I moved up to Raleigh, I knew I could pop in anytime at "Happy Hour" and enjoy you both and your neighbours. Yes Don, you were fine and a gentleman.

Peace of the Lord be always with you Lynn and the family.

With love Margie

“ Don was a wonderful neighbor during his more than 20 years in Raleigh. A smile - a wave - running across the street to share news - and always there to lend a hand. We have missed him since he left Raleigh a year and a half ago. Rest well, dear friend.

“ Rest in peace, Dad. You have earned it. You were a loving, caring, involved father. You gave me everything I could have asked for... my brothers and sister, a safe home growing up a good education, a strong work ethic and help throughout my life whenever I needed it. I will forgive you for the 1992 Pinto... everyone makes mistakes. Some of my best memories with you was playing golf.. both as a child and later as an adult. It was time with you when I had your full attention for 4 hours. You didn't always say much, but there was still a lot of communication going on. I took Carson out golfing today to introduce him to the game and remember you... I hope he and I can enjoy the same good times together the way we did. Most of all, I am grateful for way you loved our Mother... with complete loyalty and undying devotion. You are in a better place now. Enjoy. I love you. Mark
