“ *Bubba, Breanna and Lindsay and families:
My heart hurts for all of you. I have just learned of Donna's illness and passing. I pray you will seek comfort in knowing she is better now. She is not sick anymore. She is and has always been a beautiful lady. I so enjoyed knowing Donna. She is the star shining at night and the sun in the morning. Each day is a new beginning as you look at the sky, see the fresh new beginning and know she watches her loved ones and treasured each of you.*
