“ *I first met Donna at The Rock Baptist Church in Rex, GA when David and Jeffrey were little guys. I offered home daycare and took care of the boys during the day. They were precious on all levels. David and Jeffery, I am terribly sorry for your loss. Your mom was so proud of you both and loved you beyond words. I have fond memories of the beach trips Donna and I took each summer with other ladies from our church. We became known as the Beach Bums. Donna dearly loved her walks on the beach. I know many will miss Donna, but I will always remember her as my special friend. She will always have a special place in my ❤️*

“ Jeff and David, our thoughts and prayers are with you as you transition into this next phase of life. I am grateful for the opportunity to have known your mother. She loved her boys and other family members. I'm especially comforted by the conversations she and I shared regarding her/our faith in the Lord Jesus Christ. May each of you find peace and comfort in that knowledge.

What a great memory I have of suggesting to my good friends Donna and Ashley that they meet each other. And what a joy it was to see them get together. I will always be grateful to Donna for all she did for Ashley at the end of his life and also for the wonderful friend Donna always was all the way back to high school. I never had the honor of meeting any of her family, but I lift you all up and pray for your strength. Donna was a wonderful friend to all and will be missed by so many...

David and Jeffrey, I am so sorry for your loss but celebrate your mom's home going, a recious child of the King. So many fun memories come flooding forward as I remember the days we all lived in Ellenwood. Church activities, beach buddies and just "everyday" friends- such precious times. Praying for peace for you all. Be sure to share with those grands what a great person, and I'm sure grandmother, she was. Looking forward to a reunion someday.
