“ *Donna always had a smile on her face. She would bring so much joy to every conversation, and bring every topic back to the Lord. So many lives were changed by her obedient heart. Donna loved in everyone like Jesus does. She met them where they were, and wanted them all to know how much Jesus loves them. Donna was an obedient servant of the Lord's and a prayer warrior who wanted to see souls saved! She brought laughter, happiness, pure joy and hope to every conversation and person she came in contact with. She was a light in so many people's lives. I am honored to have been able to call her sister. And one day, one day we will be in Glory praising our God together!*
