“ Donna was a very kind and caring nurse. When I didn't understand some of the work related issues at work, I would ask Donna and she would help me by going step by step with the issue until I understand. Donna you will be missed and I'll keep your son, daughter, mother and family in my prayers.

“ Unfortunately as we grow older we tend to lose touch with our friends. Even ones that we thought so much of. Eventhough we had not spoken in years I can only imagine that she was the same person that always had a smile on her face. I spoke to a classmate of ours this morning and his words echoed the same sentiment. What a wonderful person she was. We have truly lost someone special and can only hope to one day see her smile again.

“ I have know Donna since my Aunt Tammy Mercer started keeping her children when they were just toddlers. She was always a great mother to her children, and loved her family. It would be an understatement to say that that she will be GREATLY missed by her children, family, friends, and coworkers. I have always admired her. She was a hard working single parent, but she always put her children first. She loved her job so much. In fact, I don't ever remember her complaining about much of anything. I just think it is so sad that she had to leave this world so soon. It will be hard on everyone that loved her, especially her children. They need all the encouragement and love they can get right now. From the bottom of my family's hearts, I want her children to know how much we admire them and we would do anything if they need it. God bless you all. Her children, family, friends, and coworkers will continually be in my prayers.

Love.. Laurie and Clayton Doyon, Katie and Jordan Croft.

“ Bubba- Our thoughts and prayers go out to you and your sister. We were shocked and saddened to read about your mother's death. We immediately notified Tyler at school to let him know as well. He was quite stunned and fondly remembers your mom. Bubba, we think about you often and remember and appreciate your baseball talent and sense of humor. Those were great years. Please accept our sincere condolences on your great loss. You both are still so young and this is such a difficult event to have to bear. We pray for God's strength and comfort for you both at this time. HE WILL help your burdens of grief. Again, our thoughts and prayers are with you.

“ I met Donna some years ago at church. She became a very good friend to me at a time in my life when I needed a friend. She was a beautiful person and spent her life taking care of others. I remember her singing Beulah Land at church and to hear it today brought back alot of memories. She had a beautiful voice. We lost touch over the years but she was never forgotten. She will be missed.
