“ Dear Connie,
I was recently reading a book that reminded me of the fond memories made while visiting you and you family when you were in the Covington area. I went to the internet to see if I could locate you and found the obituary of your mother. The pleasant memories of visiting ?out in the country? with such a loving family are still in my heart. I was sorry to hear of her passing. I am still in Covington and would love to hear from you.

“ Dear Jim and Family: You may not remember me but I was your 1st grade teacher at Sherwood Elementary in 1965-66 school year- my only year of teaching (I went to work with DFCS in 1966 after the birth of our first child and I remained there until my retirement in 1998).

I do remember your mother and what a sweet and wonderful person she was. She was one of the parents that I knew I could count on and she was always supportive and helpful. I also remember seeing her at Penny's years after I left Sherwood and she always spoke to me and I had the opportunity to inquire about you and find out how you were doing.

I was sorry to learn of her death and I know that your hearts are grieving. Having lost both our parents many years ago, we can know the loss that you are feeling at this time.

Our sincere sympathy to all of you. Karin and Mike Tabb

“ As friends in Christ, we know how difficult this time for your family has been as we have walked this same walk with you this week. Our father and your mother are walking the streets of Gold and singing those "favorite" hymns. Our hearts go to each of you. May God grant you peace during the days ahead. Proverbs 3:5-6
