“ *I remember how excited I would get when we would travel from Lyons to her house in Albany! I loved walking into her house full of beautiful dolls and trinkets. Her rushing to get me something to eat. Her wonderful smile she's would get when we brought her a new picture of me. Her love for me was all I needed when I was there! I love her so much and I will miss her forever!*

“ I keep telling myself that this can't be real. We were very close. She  
was such a delightful person. She was always there for me and for  
anyone who needed help. She was unique in that she was  
nonjudgemental, accepting all kinds of people and loving them as  
friends. She was loyal and kind. She listened, and often answered  
with great humor. She had insight, expressing it with a common  
touch. There will never again be anyone like my Aunt Dora Lou! I  
will miss her every day for the rest of my life. I thank God that she  
was my aunt and that she loved me.
