“ *Doris - the matriarch of our family. You were always a force of nature, full of SO much love for your entire family and friends. You welcomed me with open arms to this family and you were Chris' other mom. You gave the best hugs and were always so considerate, not only to us - but to everyone. Our hearts are shattered - but we are thankful that you are in His Glory and free! Until we see you again, we will hold you dear in our hearts and minds forever. We LOVE YOU DORIS! - Annie & Chris-*
