

Mrs. Doris Kearce Frierson

December 11, 1923 - January 15, 2021

Doris Kearce Frierson, 97, died January 15, 2021.

Mrs. Frierson was preceded in death by parents William and Martha Jane Harrell West and her two brothers and five sisters. She was preceded by her husband William Frierson. Additionally, she was preceded by her former husband, William Don Kearce, Sr., the father of her four children.

Born December 11, 1923 in Hinsonton GA, Doris graduated from Moultrie HS and became employed by the Selective Service System in 1939 as a Stenographer. She moved to Albany GA in 1950 where she raised her family. Though she loved trips to the beach or north Georgia mountains, she was a homemaker and true homebody. One of her joys was driving a school bus for the children of Dougherty County for a number of years.

She is survived by children Jann Hatsell (Alfred) of Thomasville, Sylvia Casey (Jim) of Albany, Karen Lightfoot (Darrell) of Thomasville, and Don Kearce, Jr. (Lora) of Indianapolis; three grandchildren, Jim Casey III, Alisha Jackson

Pedersen, and Chris Kearce; and two great grandsons, Neil and Reid Jackson.

The family expresses loving gratitude to Phoenix SLC and Integrity Hospice of Albany.

“ My dear sweet aunt Doris was a one of a kind of soul. She was one of the most strongest women I ever know. Aunt Doris did a fantastic job raising my four cousins, Jan, Sylvia , Karen and Do have n Jr. She was a very hard working woman. I loved her so. She was the best cook ever and her beef roast was out of this world. My daddy (Woody Kearce) also lived and cared for her. She has saved him more than once in his peach business after my non passed. Aunt Doris you are no longer suffering and so blessed to be with your loved ones in heaven.
I love you!! Saye Ellen Kearce Butler

“Doris Kearce Frierson was my mother-in law. Doris, as I respectfully called her, was the best mother-in-law that a son-in-law could ever have. I can remember the first time I came to her house to pick up Sylvia for our first date, she was friendly as she could be. From that day forward which now is over 50 years, she never spoke an unkind word to me. You always hear about mother-in-laws and how they try to interfere in marriages, not Doris. No matter what differences Sylvia and I might have had, if she knew about them, she sure did not mention them to me. I remember the many summers when Doris, Sylvia, Jimmy and Alisha went to the beach for a week. Even going to the beach, she always cooked big meals at the condo. But what I remember most about her, were the thousands of meals that she cooked for the family on holidays and weekends. She was undoubtedly the best cook and she loved doing it. In her later years, while my two Grandsons, Neil and Reid were growing up, whenever Alisha and the boys came down to visit, we always made it a point to go over and see her. She loved those two great grandsons and they loved their GiGi. I loved her as a mother and will always treasure all of these great memories.
