“ *May heaven be filled with butter lettuce and strawberry salads, no HOA's, pearly white sand and crystal-clear water. May you "Dance with the Stars", laugh with the girls, and love Kim's babies forever and ever, my sweet friend. I will miss you just knowing I can't pick up the phone and call. Charley and I will make sure Sydney is okay as Kim and her family will try to fill the void of you. Rest well, my friend.* ”

“ Doris was my very dear friend throughout the years we worked together, and we all had great memories of our fun times when we visited our condos at Moondrifter at Panama City Beach. Doris always had a talent for decorating, and she was so much fun on our shopping trips! I loved my friend, and will miss her and her caring and kind spirit.

“ I worked with Doris at the Marine Base. I actually went to her beautiful home a year or two ago and bought some furniture. She gave me a clipping of her flower on her porch. I still have the flower. It will remind me of her often. Doris was always beautiful and sweet. She loved her family. Hugs and prayers!
