“*Densil, I'm so sorry for your loss. Miss Dorothy was the sweetest, and I remember her fondly. Our families have been entwined for our entire lives. The many times you, David Pollock and I, were always over at your house, and into something. Please know you are in my thoughts and prayers. I don't think I would have survived my teenage years without you. I think of you often.*

*Too many fond memories to share here.
Aunt Dot was a unique woman, for sure, and my life was richer for knowing her.*
