“ Michael, I just learned of your mother's passing on Friday. I am so sorry for your loss. I was only around your mother a few times, but the times that I was, I thought she was a very sweet lady. I know she will be missed by all who loved her and knew her well. May God comfort you and your family and may you find strength in Him!

“ Micheal & Family, Our thoughts and prayers are with you and your family in this time of grief.

Here is a sample prayer you can offer to God:

Father God, Thank You for always being there for me no matter what I face. I know You will never fail me, even in my most intense trials. I have not always understood why I was going through certain things; however, I do not have to understand, because You are God and You are in control, in spite of my lack of understanding. I know that all You require of me is to trust You, and look to You in faith and You will come and save me, and bring me an answer. You always have, and You always will, because you are faithful. You never fail any of us who look to You. I have failed You, Lord, by my doubt and unbelief at times, but You have never failed me. Lord, please remove all the sorrow and grief I feel. Heal this pain I feel in my heart and help me to trust You more. Fill this empty place in my heart with more of Your Spirit. I ask this in the name of the Lord, Jesus Christ. Amen
