“ Dottie was a special person to a lot of people. She always had a warm smile, an ear to listen and a shoulder to lean on. Her compassion seemed to have no limits. Her family was so important to her and I felt as if I knew each one of you even though we've never met. We have lost a cherished friend and co-worker, but Heaven has gained a special angel.

“ Dottie was a special person and a great co-worker. She never complained about all the changes at the job, and was always quick to remember to ask about you and your family. A few years before she retired, I moved to a different work location, but whenever I was in her office, she acted like we had just seen each other the other day. She will be missed..

“ Dottie was a lovely person who added so much to the lives of everyone she encountered. I worked with her at BellSouth many years ago. My children, now 21 and 17, still have their travel pillows so lovingly made by Dottie. She will be missed by all who were fortunate enough to have known her.

“ Please accept my most heartfelt condolences. Dottie was darling woman!! So VERY sweet and tender hearted, one of the most gentle women I ever had the pleasure of knowing. We operated together in Douglasville, once upon a time. I can not recall a time that I looked at her beautiful face and did not see a smile. Dottie was kind to everyone, without exception. May God be with you all in your time of mourning. You are in my prayers.

“ Mrs. Dottie touched my heart many years ago in Douglasville Directory Assistance. To a young unwed mother-to-be, she was so loving and attentive. I still have the beautiful quilt that she made for my little girl. Not everyone can make an impression that you'll cherish forever, but Mrs. Dottie did. I know you'll miss her, but we can find comfort in God's word. David said of his son, I can't bring him back, but I can go to him (II Samuel 12:23). I thank God for this assurance and for Mrs. Dottie.

“ Dottie was one of the loveliest persons I have known. She helped me through a very difficult situation when I first became part of the Inp group at Bellsouth. I treasure the recipe she gave me for her deviled eggs.

Rest well, my friend.

“ *May the peace of God be with the family as you mourn the loss of a beautiful, sweet, and lovely Mother, Grandmother, Sister, and friend. I will never forget the kindness and sweetness of "Dottie". We shared many family stories and she always remembered my children at holidays. Her seniority date at BellSouth was one day before mine so from training up until she retired we worked together. I'm so glad I knew her.*

“ Michelle, Rick, Bette Ann and families. I miss my friend. Dottie and I have been friends for over 20 years. She was always there for me thru good times and bad. She always said so many good things about all of you. We talked about us being "sisters" in Christ. We spent many hours together, on the phone, email, going places, crafting, and the cell phone when she moved. Neither could afford the long distant charges (because we would talk to long) so we would call each other on our free long distant cells. I am so sorry for our loss. I just can't stop crying. Love you all.
