“ *I owe a great deal to Mrs. Dolly for encouraging my love of music. The hours spent in her den with piano lessons were the foundation of a life long opportunity of service. I have been a church organist now for almost 40 years and I think of her often. She certainly was a true lady, my prayers are with your family.*

“ I have so many wonderful memories of Mrs. Dolly. She was an amazing piano teacher and generally just so full of life and bursting with sunshine! She was the best AWANA jamboree trainer we ever had (three time #1 regional champs), and poured into so many of our young lives. I loved my visits with her and Mr. Hollis up in Blue Ridge while I was living in Atlanta. They were both such warm and welcoming people and will be very missed. Praying for comfort for the family during this time.

“ Dolly was one of my dearest friends for many years. We were 'gate post' friends and shared many things just between the two of us, and the Lord. She was a huge encouragement and was the best piano teacher. She believed in her students, our daughter being one of them, and made them believe they could do more and be better. She was an excellent Bible teacher and AWANA leader...she loved those kids and wanted them to, not only memorize scripture, but believe it, hold it in their hearts and put it into practice. I loved visiting her and Hollis, aka 'Papa Jay-bird' to our family, after they moved to Blueridge. My prayers are with each of you kids and grandkids. Bob, Brian, Greg and Ann...your parents left you a godly heritage and I know their greatest joy was seeing you all trust the Lord as Savior and to go on and serve Him. I pray each of you will remember what they taught you and seek to honor them, and glorify the Lord, with how you live your lives. Their words will ring in your minds and memories for years to come. God bless each of you during this time and in the days, months and years to come. We love the Johnson family...and we loved your parents.

Love Always,
Clay and Rebecca Miller
