“ *It is with sorrow that I heard From Dean Bonner of the death of my professor, mentor, and good friend.*

*I am a former student and student assistant of Mrs. Jone at the University of Alabama. We had a special and long lasting relationship that continued long after my graduation and her retirement.*

*As a young Naval officer, I was home on leave and took my fiancée, Jo Ellyn (now wife of 32 years) to Fernwood Ct. to meet Mrs. Jones. She charmed Jo, and explained to her that she was there for her approval.*

*Mr. Jones and I corresponded until about a year ago. She has made lasting impressions not only on me but on many students over her life. She was a very special lady. I loved her dearly and am so sorry that I could not be there for her today.*

“ I will always lovingly remember Mrs. Jones as my "boss" and friend at the Tuscaloosa County Board of Education where she accomplished so much in school food service.
