“ *Many of my growing up years were spent in Doerun on Saturday afternoon waiting for "the drawing" . I spent a lot of that waiting time in the Doerun Drug Store with Mrs. Lovett. She patiently waited while I ooh and awed over all the goodies in the glass showcase and everything else in in store. She took the time to visit and talk and encourage my looking and occasionally helped me buy somehting "on time".*

I have always remembered her for those special times in my young life and when I last saw her at a bridal shower for Kelli Oliver (now married to my nephew Corey Bacon) she remembered me and all those Saturday afternoons we spent together at the drug store. She and I spent several minutes visiting and I was glad to see her again.

I am so sorry I did not know of her passing in time to come for visitation or the funeral. She was a VERY special lady and I will continue to remember her and miss her.

“ I worked with Dorothy for several years at the Apothecary. She was a lovely lady and friend. Just a few months ago she came by the library and she and I had a wonderful time chatting and catching up. I was sad to hear of her passing. Circumstances prevented my attendance at her services, but know that you all are in my thoughts and prayers. My God comfort you during this time of loss.

“Mrs. Dorothy was one of a kind. She always had a smile on her face and a kind word to speak and a fantastic cook. She was a special lady to our family. She will be greatly missed, but we can rejoice in knowing that she has received her Heavenly homecoming and is walking on the streets of Gold with Mr. Ray, Randy and her mom and dad and friends that were waiting to welcome her into Heaven. Here is a poem given to me when my dad passed away:

Letter from Heaven

*To my dearest family some things I'd like to say
 But first of all to let you know that I arrived today,
 I'm writing this from Heaven. Here I shall dwell with God above
 Here, there's no more tears of sadness. Here is just eternal love.
 Please do not be unhappy just because I'm out of sight
 Remember that I am with you every morning, noon and night.
 That day I had to leave you when my life on earth was through
 God picked me up and hugged me and He said "I welcome you,
 It's good to have you back again,
 you were missed while you were gone,
 As for your dearest family, they'll be here later on.
 I need you here badly, you are part of my plan
 There's so much that we have to do to help our mortal man."
 God gave me a list of things that he wished for me to do
 And foremost on the list was to watch and care for you
 And when you lie in bed at night, the days chores put to flight
 God and I are closest to you . . . in the middle of the night.
 When you think of my life on earth and all those loving years
 Because you are only human, they are bound to bring you tears
 But do not be afraid to cry, it does relieve the pain
 Remember there would be no flowers, unless there was some rain.
 I wish that I could tell you all that God has planned
 If I were to tell you, you wouldn't understand
 But one thing is for certain though my life on earth is o'er
 I'm closer to you now than I ever was before.
 There are many rocky roads ahead of you and many hills to climb
 But together we can do it by taking one day at a time.*

*When you're walking down the street and you've got me on your mind
I'm walking in your footsteps, only half a step behind
And when it's time for you to go . . . from that body to be free
Remember you're not going . . . you're just coming here to me.*
