“ *I was so shocked today when I went to teach Bible study at Villa Rose that your mother had died. I love her so much, and she was an inspiration to all of us in the facility, and in the Bible Study on Wednesdays.. Her ability to endure this life has ended, but her endurance to cope with all things, and to finish the race is a legacy I will never forget. She taught me more than I can tell here on paper. My continued prayers will be offered up as your family grieves her passing. While I sat today, shaking my head in disbelief, Dorothy was lifting her hands in praise, face to face with our Savior. May God bless all of you with sweet words and memories from friends and family.*
