“ Roy, So sorry about the loss of your wife. I know she was not in the best of health for several years due to talking with you at various times. You know, 59 years is such a larger number of years you & Dot shared with each other. Just reflect on all of the good things God let the two of you enjoy with each other. I love you and Dot for being a part of Sue-Nell's and my military life. God has always been a blessing to the two of you and I know God will continue to bless you. Sorry I was not there for you as I was out of town.

Roger Out.

Love always, Alvin & Sue-Nell Folsom

“ I had the pleasure of drawing Mrs. Staines labwork almost every week for over a decade. During that time, she became so much more than a patient - I grew to love her and think of her as family. She was the sweetest, most genuine person. No matter what she was going through with her health, she remained optimistic and always wore that beautiful smile. I cherished our weekly visits and I cannot tell you how much I'm going to miss her.

“ Lawrence & Papa,
I can't begin to tell you how much I will miss Nana's beautiful smile, when she came to the hospital for her weekly lab she would on occasion come by CCU to visit and bring us goodies and bring the latest pictures of Lawrence and his family. We all loved her like family and will miss her so much. She has taken her rightful place among the angels. Please know that you all are in our prayers.

“ My Dear Roy & Family, There isn't enough words to express the emptiness that our church will feel with the passing of Dot. Nor is there enough words to tell you how much I love you, & how much God loves & cares for you. He will carry you through this very sad time! May the peace & comfort of our Lord be with you in a very special way. Your friend in Christ, Betty Singletary
