“*“Miss Dot” was so special to me. I remember when we lived on Maryland Drive and she and Mr.Alex would come down on Easter morning to see what the Easter Bunny brought us. I also remember when I was little I would find out what they were having for lunch and then I would see what mom was making me and decide where I wanted to eat lunch. Most of the time it was with Miss Dot and Mr. Alex. They were my Albany grandparents while we lived on Maryland. She was a very special lady and there is an extra special angel in heaven now!*”
