“ i simply wish to say, i have a white beaded handbag of your mother’s with her calling cards, hand mirror & plastic hair cover from “ward’s funeral home.” i decided to look her up, knowing the odds would be an obituary. the handbag went out to dinner last evening on date at a french restaurant here in nashville. the entirety of it brings me joy. sending you all peace & love. ☐xo capucine monk

“ I remember quite well what an elegant and sweet lady Mrs Welchel was and my acquaintance with her was brief. I knew her daughter in school and met members of the family a few times. i am sorry this is 7 months later but my current family told me recently about her going on to be with Jesus our redeemer and advocate. Blessings to this family as you celebrate her life and her faith

“ Dear Bill, please accept my deepest condolences on the passing of your mom. I still have vivid memories of her dropping us off at Andys house after school at Deerfield and scolding us the day we put diesel in the Scout!!!!  
If you and the wife and kids ever come this way on a cruise or a vacation be sure and let me know so I can set up some local hospitality for y'all.

Sincerely
