“ Dear Jo, Bill and Gordon Words cannot express how much your dad and mom meant to me over the years. You are so blessed to have had such wonderful parents. Working with your dad at his store and enjoying your mom's visits there was such a happy time for me. You three are cut from their cloth. They will live on in you. May God bless you as you celebrate their reunion in Heaven. May He comfort you in your loss. Dot lived a long, productive life. She and Ozell were rocks in the First Methodist Church for so many years. Helen and I are praying that God give you strength as you deal with difficult days.

“ *Ozell and Dorothy Wright were wonderful examples of the Greatest Generation. Their love for each other was noticeable across the room or church. They passed their kind spirits down to their offspring and grand children. My sincere sympathy to all.*
